Greetings from your lovely child R.M. Joe Felix

Me and my family are fine. How are you and your family. I hope you and your family members are going good.

On 17th December One day camp was held in Aloysius college. We had enjoyed a lot by seeing dance and some more program and we received a blanket as a gift from them. It is very useful to me.

On 20th December I served as a Ater boy in the mass. During Christmas junction at church I participated in the skit.

On the Republic day the college conducted some sports. I participated in 100m, 400m, and 1200m running I got 1st place in 100m and in 1200 I got a 3rd place. I felt very happy while getting medals. After that the football match was conducted.

Our team was happy and got a First place.

On February end week our final exams started I felt very tough with my exams but I passed in all subjects. I got less marks in your physics and Computer Science. I felt

very bad about it. From the second year
I will get good marks in all the subjects.
I have planned to go for tuition for
those two subjects.

Thanks for the amount you
sent to me. It was very helpful
for my education purpose.

How is it do hot. What about
the weather condition in your place?

I will pray for you and your family
members. I hope you also pray for
me and my family members.

your loving child
