Greeting from your loving child
Manoj Kumar

I greet you very cordially. I hope you are in good health condition together with your family. I thank you very much for receiving my last letter. How I & my family are fine?

I had my IPU board exam which started on March 01 to 30th. It was little tough but I have performed well in my exams. I am eagerly waiting for my results, please pray for me, so that I may get good marks.

In my college there was Sports fest. I got first prize in volleyball. I enjoyed my college days with my friends.

presently I am feeling bored up in home since my friends are not there with me.

In our college there was no other program since they have celebrated the fresher's day I am very sad for that.

In my family they everyone wishing you to enjoy with the family. We are going to visit my grand father's house. I am really happy to go there and to recreate my childhood days.

I have received money from Asha Trust. It was helpful for me.

I am very happy that we are having Summer Camp by Asha Trust for 2 days.

I thank you very much. Hope to hear from you. I keep you and your family members in daily prayers. I am waiting for your reply letter with love.

your loving child
